

NEVER ALONE CANCER WALK 2025

Featuring Paws for a Cause 🐾 September 7, 2025 🐾 Selkirk, Manitoba

About the Walk

The Selkirk Never Alone Cancer Walk brings together families, businesses, and community members who want to make a difference for individuals affected by cancer. It's a chance to support loved ones, honour those we've lost, and show that no one has to face the journey alone. It's a day filled with connection and community.

When you sponsor the Never Alone Cancer Walk, you're doing more than just attaching your name to an event - you are making a meaningful impact for those who need it most.

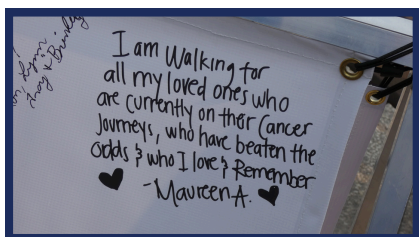

Funds raised make it possible for Never Alone to provide immediate support, improve quality of life, and help ease the stress of a cancer diagnosis.

Every sponsor, every donor, and every volunteer makes this possible.

About NACF

The Never Alone Cancer Foundation was started by former Winnipeg Blue Bombers player Lyle Bauer after his own battle with cancer. Many people still remember Lyle—not just for football, but for what he did after. He turned his personal experience into something bigger: a way to help others who are going through the same fight. Although Lyle sadly passed away last year, his legacy continues.

Never Alone is a Manitoba-based organization offering direct, practical support to individuals affected by cancer. That means helping Manitobans through everything from help with groceries, parking costs, and bills—to small but important things like warm blankets during chemo, a brave barbie for a child during a difficult time, or just someone to talk to when it all feels overwhelming.

Never Alone is grassroots and focused. No red tape, no runaround—we show up when it's hard, and we help however we can. In the past year alone, we've supported over 600 individuals and families across the province. That work is only possible because people in the community continue to show up and give back.

Every event we run has one goal: to make sure no one faces cancer alone.

Looking Ahead

At the Never Alone Cancer Foundation, we're grassroots, local, and hands-on. We're close to the people we serve and the partners who help us serve them.

We are offering something real: a way for you and your team to walk alongside people in our community who are going through one of the hardest seasons of their lives.

If this sounds like the kind of work you'd be proud to be part of - let's connect.
